

## iWELD HANDHELD MMA-120X WELDER – 220V

### Description

## iWELD HANDHELD MMA-120X WELDER – 220V

The iWELD MMA-120X is a 120A single phase, 220V handheld stick electrode welding machine which is designed on and manufactured to the latest digital inverter technology. It is compact, portable, light weight allowing for easy mobility and use. The MMA-120X inverter machine ensures a clean, high quality weld and excels in basic and rutile electrode welding. The advanced power input system will detect and handle a voltage drop or a spike of up to 15%. Professional and DIY users can experience the built-in characteristics of anti-stick, hot-start and arc force.

### ACCESSORIES

- Earth clamp cable kit

- Mini chipping hammer with wire brush

## **SPECIFICATION**

**PRODUCT CODE**

**MODEL**

**RATED POWER SUPPLY INPUT**

**DUTY CYCLE 40°C @ 10 MINUTES**

**OPEN CIRCUIT VOLTAGE**

**WELDING CURRENT RANGE**

**ELECTRODE SIZE**

**DIMENSIONS(mm) AND NET WEIGHT(kg)**

**Product Category**

1. Handheld Welding Machines
2. iWeld Machines
3. MMA Welding Machines

**Date Created**

02 Nov 2025
