

TAURUS BLUE-YELLOW LEATHER GLOVES

Description

Taurus blue-yellow gloves are fabricated from A-grade dyed split-grain cowhide leather. Reinforced-leather palms ensure abrasive resistance and soft cotton-fleeced inner linings also reduce heat transfer. The seams are sewn with high heat-resistant Kevlar thread for added strength. This product is exceptionally well suited for hand protection during welding operations.

FEATURES

- Smooth premium thick leather.
- Kevlar stitching.
- Reinforced palm.
