

TAURUS ONE PIECE CUTTING TORCHES

Description

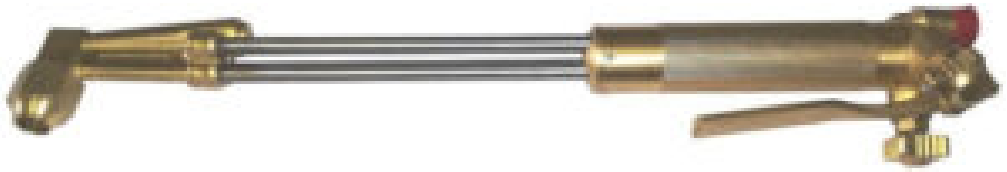

TAURUS UNIVERSAL CUTTING TORCH

The Taurus universal 500mm long cutting torch is a heavy-duty, versatile and robust Saffire style torch with a 90 degree angled head. It can cut through steel up to 300mm thick and ANM, ANME, PNM or PNME nozzles can be fitted. Preheated oxygen and fuel gas mixed in the nozzle ensure greater safety and higher backfire resistance.
